

BRIAGOLONG PRIMARY SCHOOL  
**Electronic Information and Communication Permission Agreement**

Briagolong Primary School provides an Electronic Information and Communication Technology program over an extensive school computer network with Internet and email facilities.

**The Electronic Information and Communication Permission Agreement follows.**

1. All students shall receive basic instruction on the use of the **Electronic Information and Communication Technology** at BPS.
2. The **Electronic Information and Communication Permission Agreement** shall be read and understood and a copy of this agreement will be signed by teachers, parents and students prior to commencing use.
3. The school's Internet account exists to provide access to curriculum related information.
4. All search topics and addresses will be approved by a teacher before a search is conducted.
5. Users will be instructed in and understand the need for -
  - Respecting your own and other people's privacy.
  - Private personal information will not be disclosed over the Internet.
  - Treating those receiving / sending messages with respect.
6. Improper use of the **Electronic Information and Communication Technology** networks will result in the user being forbidden from access for up to **100 days**.
7. Improper use includes:-
  - Accessing, retrieving or sending material that is not approved by the school (Staff / School Council).
  - Using any portable electronic storage device to download or upload data.
  - Any form of computer vandalism.
  - Sending a message using someone else's name.
  - Knowingly infringing copyright laws.
8. The Vic One Education Dept system is used with only "Approved Education Department selected caches".

---

As a parent or guardian of a student at Briagolong Primary, I have read the above information about the appropriate use of computers at the school and I understand this agreement will be kept on file at the school.

My child may use e-mail, the Internet and the school curriculum network while at school according to the rules outlined.

As a user of the School Computer Network, I agree to comply with the above rules and to use the network in a constructive manner.
